

Margie Heiler, MCC Your Partner For Success

A VALUES CLARIFICATION TOOL FOR TEAMS, ORGANIZATIONS AND INDIVIDUALS.

Often introduced as a key concept in basic coaching training, values clarification is among the most effective of tools in any coach's toolbox.

Today, nearly every new client benefits from the higher perspective, enhanced clarity and greater quality of life that values-based coaching provides.

- **Create** immediate trust and intimacy with clients
- **Engage** both sides of the brain for greater clarity and impact
- **Stimulate** creativity and imagination
- **Explore** opportunities for change and growth from a positive perspective
- **Resolve** conflict between competing values
- **Facilitate** difficult choices with greater ease
- **Add** a fun, new coaching tool to your repertoire!

“Values clarification is among the most effective of tools in any coach's toolbox.”

Use the Road to Resilience™ Values Deck to facilitate advanced-level techniques, playful coaching activities and innovative solutions for working with clients' highest values.
